PROFILE SUMMARY

I am Prince Louie T. Paquiado, a Full-Stack Web Developer with 3+ years of experience building scalable and responsive web applications using Laravel, CodeIgniter, ReactJS, TailwindCSS, Bootstrap, and JavaScript. Currently, I work at Xytron International developing enterprise and internal systems such as the eSOA Blasting System and Ticketing Management System (TMS). I graduated with a BSCS degree from University of Caloocan City and received the Best in Thesis Award in 2025 for developing the UPA rental platform.

TECHNICAL SKILLS

- **Programming Languages:** PHP, C, C#, Java, JavaScript
 - **Frameworks and Libraries:** TailwindCSS, Bootstrap, Laravel, ReactJS, ExpressJS, NodeJS, React Native
 - **Databases:** MySQL, MongoDB, Firebase
 - **Tools:** Git, Github, Postman, Composer
-

PROFESSIONAL EXPERIENCE

Full-Stack Web Developer | 2025 – Present

Xytron International (MIS Department)

- Currently developing enterprise web applications and internal systems using Laravel. Responsible for developing the eSOA Blasting System, including backend logic, email processing workflows, database management, and frontend integration. Also contributed to the Ticketing Management System (CRUD), frontend interfaces, and server-side development.

Web Developer (OJT) | 2024

Department of Agriculture (System Application Development Department)

- Developed backend logic and managed databases for the Ticketing Management System (TMS).
- Contributed as a full-stack developer for the Farm Input Management System (FIMS), handling both frontend and backend development

FREELANCE PROJECTS

- **Evacuation Center:** Web and mobile app for real-time monitoring of evacuees, calamities, and supplies.
 - **Human Resources Information System (HRIS):** Java-based system integrating payroll and attendance modules.
 - **Student Management System:** Multi-portal system for admins, students, and teachers to manage attendance, data, and academic activities.
-

EDUCATION

Bachelor of Science in Computer Science (BSCS) | 2021- 2025

University of Caloocan City

- Best in Thesis, University of Caloocan City, 2025
-
